- Excess money beyond explanation may mean teen is dealing drugs

## Legal

- Runs away from home
- Increased involvement with police, such as having parties/social functions broken up by the police
- Arrested for alcohol or other drug related charges

If you are concerned about a change in a young person close to you, it is important to know that these signs and symptoms need not occur all at the same time, in any certain order or with any great frequency for you to take action on your concern.

Adolescent substance abuse is not a hopeless situation. As a parent or loved one of an adolescent, the best way to be an ally is to stay informed.
