

PACKING FOR TREATMENT - ADOLESCENTS

Nicotine Patch FAQ

How much does a box of nicotine patches cost?

A pack of 14 patches cost \$35.36.

What is the price for an individual patch?

One patch cost \$2.52.

What if my child does not bring patches on the day of admission?

We have a stock of patches at Rosecrance Griffin Williamson Campus that can be used, if needed.

Will I be billed?

The pharmacy will bill you if there is an outstanding balance after your insurance has paid.

Can you bill my insurance/public aid?

Yes. This does not guarantee coverage, but we will bill them before billing you.

Do you need my written or verbal consent to give patches to my child?

Yes. A nurse will call you for consent before patches are started.

How long will my child be on the patch?

He or she will be on the patch for 14 days: seven days on 14mg and seven days on 7mg.
