

The Rosecrance Foundation Benefactor Society is comprised of individuals, corporations, foundations and churches that give \$1,500 or more to support the Rosecrance Benefit. Since its inception, the benefit has raised more than \$5 million to help youth, adults and their families.

All 2013 Benefactors will be invited to a private reception before the Rosecrance Benefit on Monday evening, April 15, at Giovanni's in Rockford. The private reception begins at 5:30 p.m., and the benefit is at 6:30. Your 2013 Benefactor gift will offer help, hope and lasting recovery to individuals who struggle with substance abuse and mental illness.
