STAFF PROFILES

Rosecrance Des Plaines

Outpatient substance abuse and mental health services for adults

Neeva Sandhu, MS, LCPC, CRADC, Clinical Coordinator, supervises the addiction and mental health clinicians at Rosecrance Des Plaines and oversees clinical programming. She earned her bachelor's degree from the University of Illinois Urbana-Champaign and her master's degree in Clinical-Counseling Psychology from Illinois State University. Neeva has over 10 years of experience in addiction and mental health treatment. She is passionate about working in behavioral health and effecting positive change as both a clinician and a leader.

Nick French, LMFT, serves as a Clinical Therapist at Rosecrance Des Plaines. From substance abuse and co-occurring disorders to mental health disorders, Nick's expertise spans across the behavioral health spectrum. He provides outpatient mental health services for individuals and couples over the age of 18, as well as families. Nick specializes in depression, anxiety, stress, PTSD, communication, pre-marital counseling and marriage counseling, Post-Acute Withdrawal Syndrome (PAWS), and issues with mortality. Nick also supports alumni in recovery who are looking to improve their support network while adjusting to a sober life. Additionally, Nick works with their family members to improve self-care and provide conjoint therapy sessions.

Georgene Manley, MS, LCPC, CAADC, CEAP, is an Addiction Therapist providing Continuing Care and individual therapy. She began her career in a residential unit at Advocate Lutheran General Hospital (then Parkside Lodge). She also worked at Commonwealth Edison as an EAP for five years. Georgene earned her bachelor's degree in Psychology from Columbia College of Missouri and her master's degree from National Louis University. Her passion is working directly with clients and families with addiction issues. She feels blessed to be able to offer hope and opportunity to clients and families at Rosecrance.

Silas Dameron, LPC, is an Addiction Therapist in the Adult Partial Hospitalization Program. Before joining the Rosecrance team, Silas was a counselor at the Advocate Addiction Treatment Program. Silas received a master's degree in Counseling from Adler University.

[More staff information on the back](#)

Robert Heldermon, BS, CADC, is the Night Intensive Outpatient Program counselor. He has been in the field of substance abuse for over 12 years, working at Family Guidance Centers in Opiate Maintenance Therapy, the Men's Extended Residential Care at Serenity House Counseling Services and Advocate Addiction Treatment Program. He earned his bachelor's degree from Northern Illinois University.

Tina M. Paolini, MA, CADC, MISA 1, Addiction Counselor, has been working in the field of addiction since 2007. She has worked primarily in residential treatment settings with adolescent and adult females as a Senior Addictions Counselor. She acquired both her Undergraduate and Graduate Degrees from National Louis University and is CADC and MISA certified to help support clients who suffer from Addictions and Co-Occurring Disorders.

Dot Bourgeois, RN, BSN, CRRN, is the primary nurse for both the Partial Hospitalization Program (PHP) and Intensive Outpatient Program (IOP). Her role as an RN has crossed many forms of treatment in her 33 year career, the most recent of which was for the Advocate Addiction Treatment program. Previously, Dot worked in management, opening a 12 bed Geriatric Psych Unit as well as overseeing the daily operations of a sub-acute rehab unit. She received her BSN from Lewis University.

Marqueeta Harrington, MS, CADC, QMHP, Access Counselor, obtained her bachelor's degree in Administration of Justice and master's degree in Rehabilitation Counseling & Training from Southern Illinois University. She is a Certified Alcohol and Other Drug Counselor, and is currently working towards becoming a Licensed Professional Counselor. She began her career working for ResCare, The H Group, and Lawrence Hall Youth Services, where she worked with patients recovering from mental illness, behavioral problems, sexual abuse, and misuse of substances. Marqueeta joined the Rosecrance family in 2014 as an Integrated Co-Occurring Therapist. As the Access Counselor at Rosecrance Des Plaines, she will continue to provide assessments and treatment planning for the adult population.

Kathie McCabe, Receptionist, worked in the Rosecrance Crystal Lake Office prior to joining Rosecrance Des Plaines. She has 30 years of experience supporting client services in the medical field. Kathie previously worked at Northwest Community Hospital in several departments including the ER, Bed Coordination, and the Adolescent Behavioral Health Unit. Kathie has a passion for client care and enjoys being able to offer clients information and support throughout their time in treatment.
