ROSECRANCE

## Greendale Recovery Home

Rosecrance Greendale Recovery Home, located in a 10-unit apartment complex, is a transitional living substance abuse co-ed recovery program for adults and mothers with their children.

Residents focus on the development of essential skills necessary to maintain lasting recovery. Rosecrance Greendale Recovery Home is located across the street from the Rosecrance Harrison Campus, which gives residents easy access to services offered through the adult treatment program.

### Program includes:

- Outpatient counseling
- Relapse prevention
- 12 Step meetings
- 24-hour supervision
- Discharge planning for successful reintegration
- Employment skills development
- Interpersonal skills training
- Life skills building
- Fitness and wellness training
- Recreational activities
- Gender-specific empowerment groups
- Access to community resources

### Admission criteria

- Adults who have completed a primary substance abuse treatment program are eligible for consideration
- Admission interview required after inquiry
- Exclusionary criteria will be discussed at the time of inquiry
- Services are provided without regard to race, religion, national origin or ethnicity
