

LAUNCH TO LIFE

Your gift can save lives:

Launch to Life Benefit to sustain recovery resources in Chicago

Young people facing addiction need our help now more than ever. Experience tells us that substance use is a barrier to academic achievement and age-appropriate life progress for young adults. We know, too, that with quality treatment, these young men and women can get their lives back on track and go on to achieve their life goals.

The Rosecrance Foundation Chicago invites you to join us on **October 28 at 11:30 a.m. at the JW Marriott Chicago. Cris Carter**, Pro Football Hall of Famer, will be our keynote speaker to share his compelling story of recovery.
