ROSECRANCE WARE CENTER
ADULT SPECIFIC PROGRAMMING

Rosecrance focuses on providing the best opportunity for lasting recovery

We help children, adolescents, adults and families with mental health disorders and teens and adults with substance abuse disorders and their families find support, treatment and recovery.

Rosecrance Ware Center provides evidence-based services in a friendly environment. Our board-certified psychiatrists, counselors and social workers provide assessments and offer the highest quality of care for mental health and substance use disorders. We have an on-site pharmacy to better serve our clients.

Rosecrance Ware Center Services

Mental Health Outpatient Services

Contact: Emily Gilliam, 815.720.9235

The Integrated Access Center serves as the entry point for adult clients seeking mental health services and substance abuse treatment.

- **Outpatient Mental Health Treatment** - A basic level of care providing counseling and other support for individuals who are in need of therapy and support in their recovery journey.
  - **Dialectical Behavior Therapy (DBT)** - Behavioral-based group therapy for certain personality disorders
  - **Specialized Treatment** - Diagnosis specific group treatment

- **Psychiatric Services** - Rosecrance offers psychiatric services to individuals who are involved with Rosecrance mental health programs.

- **Community Support Team (CST)** - A community-based team that helps individuals function more effectively through focused-skills training and support.

- **Assertive Community Treatment (ACT)** - Intensive, team-delivered, community-based case management for individuals whose illnesses make staying in the community difficult. A 24/7 program of intensive support.

- **Projects for Assistance in Transition from Homelessness (PATH)** - This program provides outreach/therapeutic services to individuals who are homeless or at imminent risk of becoming homeless and who have a serious mental illness or co-occurring disorder.

- **The Living Room** - The center provides peer support and mentoring and features an extensive library of recovery materials for individuals and family members.

Substance Abuse Outpatient Services

Contact: Jim Noe, 815.720.2498

These individualized programs help teens and adults who have circumstances unique to their recovery.

- **Outpatient Substance Abuse Treatment** - Various programs from intensive outpatient to continuing care are offered to adults, teens and their families with moderate to serious impairment due to substance abuse.

- **Project SAFE** - An intensive outpatient addiction treatment approach that is designed to remove many of the common barriers to treatment success for mothers with children.

- **Winnebago County Jail** - Rosecrance offers intensive outpatient programs in the Winnebago County Jail, Winnebago County Juvenile Probation and Resource Intervention Center (RIC) for probation clients with substance abuse issues.

Court Services

Contact: Jim Noe, 815.720.2498

These programs help individuals involved in the criminal justice system who have mental health disorders and/or substance use issues.

- **Therapeutic Intervention Programs (TIP)** - A team provides therapy and services to adults with a serious mental illness who have been arrested for nonviolent offenses.

- **Forensic Services** (off-site) - Adult offenders at the Winnebago County Justice Center receive screening for mental illness and psychiatric crisis. They are typically referred to Rosecrance Ware Center after discharge.
